

Meet Our Traveling Construction
Ambassador, Timmy Tioga, and
*Please Join Our
Pass the Pig Campaign!*

Pass the Pig Campaign is simple:

- Your school adopts a piggy bank.
- Each classroom has the pig for a week with the goal of raising money to help support Mercy Neighborhood Ministries.
- Students review a brief video about the works of Mercy Neighborhood Ministries.
- Students learn about helping others by contributing spare change, coins, and paper money to Mercy Neighborhood Ministries.
- Teachers receive lessons plans to help turn the Pass the Pig Challenge into classroom learning. Topics include coin making, coin counting, probability, philanthropy, science, and more.
- *The classroom that raises the most money will receive a pizza party!*
